Subject: California forest practices
Attachments: ForestryAdminReport_Dec132010.pdf

Hi Erik –

I got your message. I don't have anything written up about CA Forest Practices on private lands, but I know they are much more restrictive than Oregon. I am attaching a file (also in the FT library on the shared drive) that I think gives a pretty good rundown on their buffering strategy. Hope this helps!

Take care – look forward to seeing you next week!

T.
